Easter Offering
Cool the School

Red Bird Christian School – Cool the School
Centenary UMC's Easter Offering this year will support the Cool the School initiative at Red Bird Christian School.

For years, classrooms have relied on window units that struggle to keep up during the hot early weeks of school, sometimes leading to early dismissals. Thanks to gifts already received through Red Bird Mission, a new central chiller has been ordered.

Approximately \$10,000 is still needed to complete installation before warmer weather arrives.

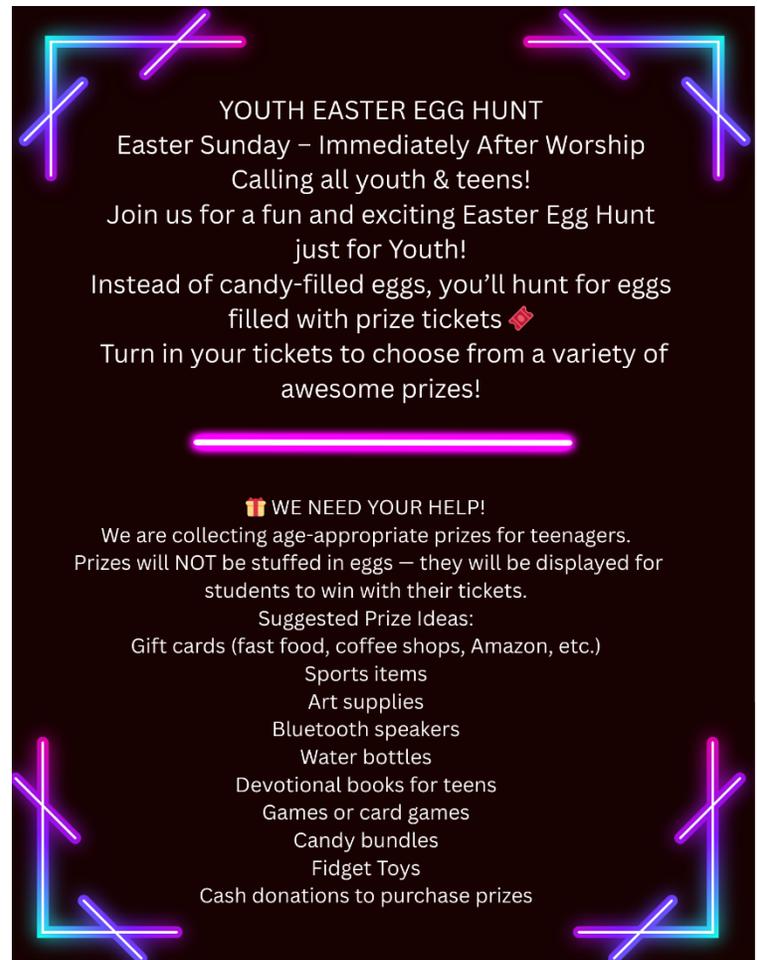

Your Easter offering will help provide a cooler, safer, and more comfortable learning environment for students and teachers.

Please prayerfully consider giving to make a lasting difference.
